

Look at You Aroha Atu, Aroha Mai

a DVD Video made by
Counties Manukau District Health Board

"Look At You, Aroha Atu, Aroha Mai" is an initiative of Counties Manukau District Health Board.

It is the first of a series of DVDs showing the ways in which babies are social and communicate right from birth. The DVD is aimed at helping parents, whaanau and professionals understand and respond to the social and emotional needs of babies, in the first three months of life.

This DVD is based on "Getting To Know You" which is an Australian video by Dr Bijou Blick.

Look At You, Aroha Atu, Aroha Mai has been adapted to ensure its relevance for a NZ audience.
